Policlinico

Luigi Di Liegro

POLICLINICO
PORTUENSE

The Policlinico Luigi Di Liegro

Policlinico L. Di Liegro is a hospital situated on Via dei Buonvisi, in the Southern part of Rome.

The structure is located in the XI municipality of Rome in Via dei Buonvisi and consists of 2 latest generation pavilions each of 4 floors above ground and a basement with green areas available for guests.

We provide rapid assessment, intervention and treatment for inpatients, day case patients and outpatients, including an outstanding Dialysis Center, Imaging Radiology, Physiotherapy and specialist counselling.

There are two Surgical Units, with five Theaters and 2 outpatients Surgery Operating Rooms for smaller surgery and Digestive Endoscopy.

The site has also five gymnasiums for the Physiotherapy Services and will soon open a new nearby parking area.
